

Preparation for Adulthood

What is Preparation for Adulthood (PFA)?

Our early life experiences help us to prepare for life as an adult and this should be recognised as early as possible, although there is an expectation that Young People with SEND focus on PFA from Year 9.

Conversations about a young person's future should involve themselves, their parent carers, their teachers and anyone else who works with them.

What areas does PFA cover?

PFA covers all areas of your Young Person's life that will enable them to have the best outcomes as they enter adulthood, including:

- Further education
- Activity Plans
- Finances and Benefits
- Employment and Volunteering
- Annual Health Checks
- Staying Healthy
- Being Part of the local community

How does our PFA journey start?

Planning for transition into adulthood should start from the Year 9 annual review of the EHC plan. Each review thereafter must focus on preparing for adulthood- including the move between children's and adults services outside of education.

The transition towards adulthood review from Year 9 will start to gather information regarding the young persons and their families' aspirations for their future, including who needs to be involved, target planning and the support needed. The review will explore provision accessible to students in order for them to be healthy, participating in society, living independently, and accessing further education and/or employment where appropriate.
