

Shropshire Short Breaks Service

**Children and Young People –
We want to know what you want**

May/June 2024

Introduction

Do you know?

Shropshire Short Breaks helps children and young people with special educational needs and disabilities (SEND) to have fun and take part in activities and give parents and carers a short break too.

We are asking children, young people, and their parent carers what they think about Short Breaks.

We want to know what kinds of activities and support that you would like from Short Breaks, whether you have used this service or not.

There are no right or wrong answers. We are just interested in what you think.

You can email us at tellus@shropshire.gov.uk if you need any help or have any other comments.

You can tell us what you think by ticking the boxes on this form.

You have until the **12th of June 2024** to tell us what you think.
